## Nursing News February

*As of this time, we are allowing compassionate care and end-of-life visits only. Visits are limited to 30 minutes with two visitors at a time in the room.*

*The first Covid vaccine clinic went well. Staff and residents did well with it. The next clinic will take place on Feb 6th at GACC.*

*When family is coming in for compassionate care visits, they will need to call the facility for an appointment so that we are prepared for their arrival.*

*We know this is a hard time not seeing your family and are hoping to be back to regular visitations by the end of the month.*

*When regular visitation resumes, visitors will still need to call and schedule an appointment. This allows us to provide the best possible protection for all of our residents.*

*If you have any concerns, please feel free to call at anytime and speak with staff. We also encourage you to send cards and letters to your loved ones. Staff is also available to assist with phone calls or virtual conferencing with residents.*

*Sincerely,*

*Jessica Byrn RN, DON*

## Activity Notes from Korie:

### Hello Everyone!

It is that time of year again! We will be doing our annual cupid this year. If you would like to order. We have an order form for you to fill out. Please return it by February 10th for us to fill the order and make sure we have everything for Valentine's Day. Thank you. If you have any questions, please give me a call at 856-2757.

We are going to be starting the garden this month.
