## Activity News from Korie

May is a busy Month for Nursing Homes. We start off with Nurses Week May 6th -12th Mother's Day the 9th. National Skilled Nursing Home Week. May 9th -15th. This year's theme is Together Through the Seasons. We will be decorating each hall as a season of the year. We will be doing activities and food from each season. Monday will be spring, Tuesday Summer, Wednesday Fall and Thursday will be Winter.

We have started our garden outside. Hopefully, we can get more things planted soon. The residents enjoy watching it grow. We have a lot of strawberry blooms. HAPPY MOTHERS DAY!

Thank you for the donation in John Matheny Memory.

Korie Salladay,

Activity Director

Postage Information

I am happy to announce that our facility remains free of Covid-19 and county positivity rates continue to decline. Staff are being tested on a monthly basis and screened every shift for signs and symptoms consistent with Covid-19.

Hopefully, warm weather is here to stay. We will be doing some landscaping in front of the building to create a beautiful summertime look.

Visitation is open to anyone who has no signs or symptoms of Covid-19 and who has not been exposed to anyone with Covid-19 in the past 14 days. We ask that you call Amber in Social Services to schedule your visitation. We will accommodate all requests if possible. Maintaining social distancing is still a requirement. We urge you to consider outdoor visitation during nice weather and look forward to seeing our residents smile when you arrive!

*Becky Oposnow*

"If you want others to be happy, practice compassion.
"If *you* want to be happy, practice compassion."
