Activity Notes from Korie:

Hello everyone. Our garden is looking good, would be better if the squirrels would stay out of it. We have some babies, and they like to get into everything. The residents enjoy watching them. We are picking strawberries!! We have some flowers planted and hanging baskets in the courtyard. The Peony bush is beautiful it has the biggest blooms on it. To all the fathers HAPPY FATHERS DAY!

Korie Salladay,

Activity Director

We would like to say "Congratulations" to our high school graduates:

Kaylee Brown
&
Madison Coffey

We are excited to see where your journeys take you!

June is upon us already. Thankful for the nicer weather and the opportunity for residents to be outside.

We are still working on the makeover for the landscaping in the front of the building but hope to have it looking beautiful soon.

Visitation is still open with the same requirements as detailed in the May Newsletter. If you have any questions, please feel free to call and speak with Amber Cooper in Social Services. If Amber is unavailable, visits may be scheduled by the DON, ADON, Administrator, or Business Office.
