Visitation Tips

If you have been vaccinated and wish to visit in your loved one's room without a mask and be able to hug your loved one, **please bring a copy of your vaccination card so we can make a copy to keep on file.**

Reminder: Masks must be worn in common areas regardless of vaccination status.

Testing: We are happy to do a rapid COVID-19 test on all visitors. This is not a requirement for visitation but is highly encouraged.

We appreciate your cooperation in helping to keep our residents safe.

Becky Oposnow,
Administrator

Maple Grove

Our Assisted Living is now open for visitation. There have been no new cases of COVID-19 in over two weeks.
We ask that everyone follow the visitation guidelines listed to the left.

Thank you!
Misty Meredith, Supervisor
Becky Oposnow, AL Manager

Postage Information

September is the ninth month of the year in the Julian and Gregorian calendars. It gets its name from the Latin word septimus, which means “seven,” because it was the seventh month of the year until 45 BC. September is generally considered to be the first month of autumn in the northern hemisphere. In Japan, September is called kugatsu, meaning “long moon.” Anglo-Saxons called this time haligmonath, which translates to “holy month”—a time to make sacrifices for the harvest.

The breeze tastes of apple peel. The air is full of smells to feel—ripe fruit, old footballs, burning brush, new books, erasers, chalk, and such.”

~ John Updike
